

This document contains style details for the Navbar04 Project.

When the Navbar04 project is finished, the running appearance should be very similar to the Navbar03 which is shown in this video:

Navbar03 Demonstration Video 01.mp4

The finished Navbar04 should look very close to the Navbar03 page header in this video.

We used the page header in the modianikitchens.com website as inspiration for our page header.

Proportions:

Component Details:

Hero Section Background: white, full width of viewport
